It's been a lot of fun in study period and family living this year. Don't get in too much trouble this summer and be good.
More flour power to you.
Bob Roberts

Its been nice being in your study hall this year. Good luck in the future.
Gary Morgan

George
Its just been nice having it in English with the elephant + that other so called teacher. Be good + give it all you got next year. God bless you.
Larry Turner

George,
This year has really been great! I wish you a lot of happiness. Perhaps some day you'll find it. Good luck and study hard.
Mary

George,
We've had a hell of a time in Family Living Class. We almost drove Mrs. Witters "insane". Have a good time this summer.
Eddy Smith.

Dear George,

Secret Agent Man 1-9-10

Well, well. How shall I begin? I could say this has been a great year & all that. Well it has. Remember all those rides to the drugstore? Thank you. Those lifts were really appreciated. And all the ice I threw? And all the water gun fights etc? And all the discussions about the groovy Rolling Stones? Really, I enjoyed getting to know you better you're one in a million. (Not personality is wild. Hope to see you this summer. (Maybe in the back yard?)

Love ya!
Dorothy

Dear George,

It sure was fun getting to know you this year. Family Living was a real experience to remember, as far as that goes so has our whole high school career. I want to wish you the best of luck in the future. (You'll make some girl a good cook) Take care of yourself and your Cousin. Hope to see you this summer!

Love ya,
Karen

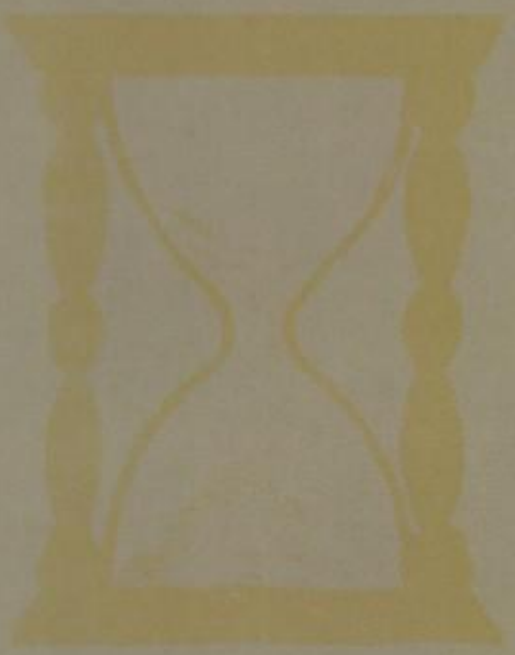
A Time to

To Mrs. Joyce Bradley, a consciencious worker, a devoted teacher, a loyal friend, and a great influence upon all she meets, we the 1967-1968 **Echo** Staff sincerely dedicate this annual.

Be Dedicated

Time is a commodity that we never seem to have enough of, but this is never the case with Mrs. Bradley. Students see her early in the morning and after school, always willing to help with any question or problem. Besides demonstrating and relating in depth her knowledge of history, she advises the Senior Class. Under her supervision the Senior Council works to make a smooth running senior year. Mrs. Bradley has inspired many during her years here, and will continue to influence students in the future years.



To everything there is a season and a time to every purpose under the heaven . . .

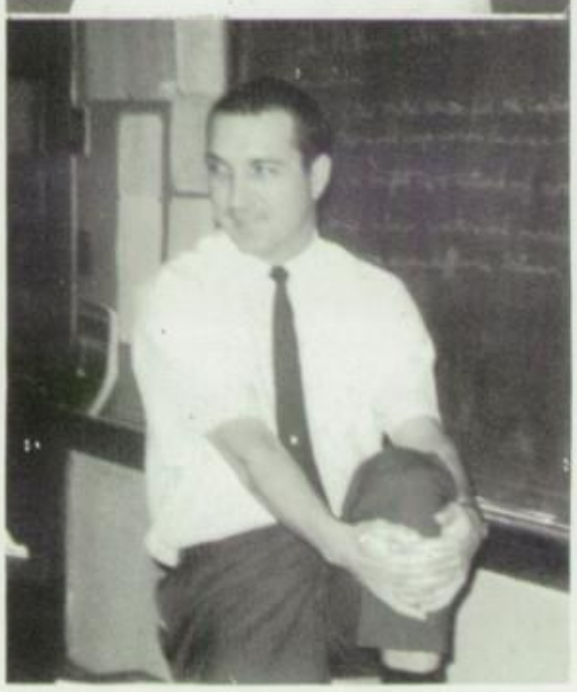
Administration Guides

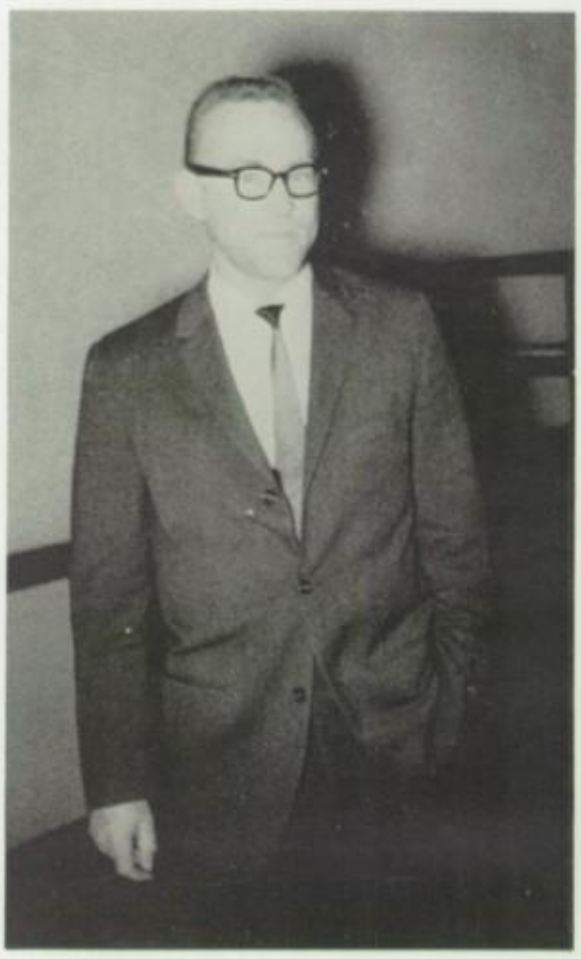
Boyden's administration, being one of the strongest in the school's history, strove this year to reach new goals. Headed by Mr. John Nettles, the 1967-68 faculty consisted of 43 members. Teachers' duties often require many long hours after school. This is appreciated by the Boyden students.



Administration

As the backbone of our school system, the School Board holds the primary role in the management of school activities. The many improvements seen at Boyden High School this past year have received careful supervision from School Board officials. These include the new student lounge and improvements made in the chemistry and biology labs. One of the most significant actions this year was changing the name of Boyden Stadium to the Bill Ludwig Stadium.

Mr. J.H. Knox, Superintendent of Salisbury City Schools: B.S., The Citadel; M.A., University of Chicago.



Mr. Aubrey Atkinson, Jr., Business Manager: B.A., A.A., University of South Carolina; Rutgers University.

Mr. Harold Isenburg, Assistant Superintendent: B.A., M.A., Dickinson College; Catawba College; University of North Carolina at Chapel Hill.

Mr. Derwood Huneycutt, Assistant Superintendent; B.A., Catawba College; Pfeiffer College; M.A., University of South Carolina; Advanced Degree, Duke University.

Administration

Under the leadership of Principal John Nettles, the administration of Boyden High School has completed another successful year. Continued efforts to help the students in all ways possible have brought numerous improvements including the long awaited Student Lounge. Always striving for the betterment of Boyden High School, the Faculty has guided and supervised student activities, giving Boyden students the greatest opportunity for a successful future.

Mr. John H. Nettles, Principal: B.S., Furman University; M.A., George Peabody College; Graduate Study, University of Chicago; Columbia University.

Mr. Eugene R. Smith, Assistant Principal: B.A., Lenoir Rhyne College; M.A., University of North Carolina at Chapel Hill; Columbia University; Appalachian State University.
Mr. Ralph K. Brown, Associate Principal: B.S., M.E., University of North Carolina at Chapel Hill.

Mr. Robert A. Greenland, Guidance Counselor: B.A., Catawba College. Mrs. Margaret S. Carter, Guidance Counselor: B.A., Catawba College; M.A., University of North Carolina at Greensboro; Western Carolina University.

Mrs. Bobbie Dowell, Secretary and Associate Treasurer of Boyden High School.
Mrs. Mary Ellen Carter, Guidance Office Secretary.

English Department

English, a course required of all, covers a wide and varied field, from dreaded grammar and themes to **The King and I** and **Canterbury Tales.** In English, a whole new world of excitement and adventure is opened through books. Themes required in these classes ignite the spark of originality in everyone and bring about many fascinating ideas and tales. In this essential course, the all important grammar is studied in great detail to prepare for College Boards and various vocations.

Language Department

Boyden's Foreign Language Department offers students a choice of study in two Romance languages, Spanish and French. For the first time this year, there is a class for fourth year French students giving them an opportunity for advanced work in French literature and composition. Language students have enjoyed many benefits from Boyden's modern language lab and language clubs.

Physical Education Department

For the second year, juniors at BHS have taken physical education courses. Seniors also are participating in the many varied forms of training and exercise offered at BHS, including a new course in bowling.

Fine Arts Department

The Fine Arts Department flourished this year in many ways. The formation of a dramatics club, "The Boyden Playmakers," brought many plays to the student body. The musical **Camelot** under the direction of Mr. George Wilson, surpassed all records of perfection and splendor. The Band and Chorus traveled widely this year, the Band going to Chapel Hill to participate in Carolina's "Band Day" and the two Choruses combining to perform for various civic groups. Art students also brought a uniqueness to the Fine Arts Department by painting the walls of the Art Studio.

Vocational Education Department

A small but important part of the Boyden curriculum is the Vocational Education Department. The Vocational Education Department teaches such courses as typing, accounting, secretarial studies, marketing, and on the job training. By taking this Department's courses, one can prepare himself for a vocation as a secretary, an accountant, a clerk, or in most any field of business not calling for a college degree. The Vocational Education Department is unique in that it offers students an opportunity to work part of their school day at various jobs.

Library

Being the center of school life, the library plays an important role in learning. Its books cover many vast areas and subjects. Boyden's library also offers various film strips and movies which are used as additional class aids, and college catologs and periodicals for reference.

6

Home Economics Department

Home Economics is a course offering practice in cooking, sewing, and home and child care to all girls. This year, the Home Economics Department offers several new courses. These include adult classes held last fall and a special course in Red Cross Baby Care.

7

Industrial Arts Department

Industrial Arts is perhaps one of the most unusual departments at Boyden. Industrial Arts offers boys training in four various fields: drafting, electronics, wood shop, and metal shop. From taking courses in this department, students can prepare themselves for careers in many varied fields.

1 Mrs. Annie Lee Cox: Business Department Head: B.S., Catawba College; M.A., Columbia University; Junior Class, Marshal and FBLA Advisor.

2 Mr. Robert S. Morrow, Vocational Department Head: B.S., East Tennessee State University; Appalachian State University; North Carolina State University.

3 Miss Barbara Williams: B.S., Barber-Scotia College.

4 Mr. Ted C. Towell: B.S., University of North Carolina at Chapel Hill; DE Club Advisor.

5 Miss Shirley Brooks: B.S., Appalachian State University; Librarian; Varsity Cheerleader Advisor.

6 Mrs. Nancy Withers, Home Economics Department Head: B.S., Catawba College; University of North Carolina at Greensboro; FHA Advisor.

7 Mrs. Judy Carden: B.S., Appalachian State University; FHA and Sophomore Class Advisor.

8 Mr. Charles Petty: B.S., Appalachian State University; Gardner-Webb Junior College.

9 Mr. John Phipps, Industrial Arts Department Head: B.S., Appalachian State University; Mitchell College; North Carolina State University.

9

Social Studies Department

A long road of History, from Java Man to John Kennedy, was traveled this year by many Boydenites. For the sake of Social Studies, many "burned the midnight oil" long after dark memorizing dates and learning of the brave deeds of many past generations. The History Department this year included a new course, Comparative Government, which is the study of the world's different governments. Also this year, two classes "enjoyed" the opportunity of educational television from WUNC-TV.

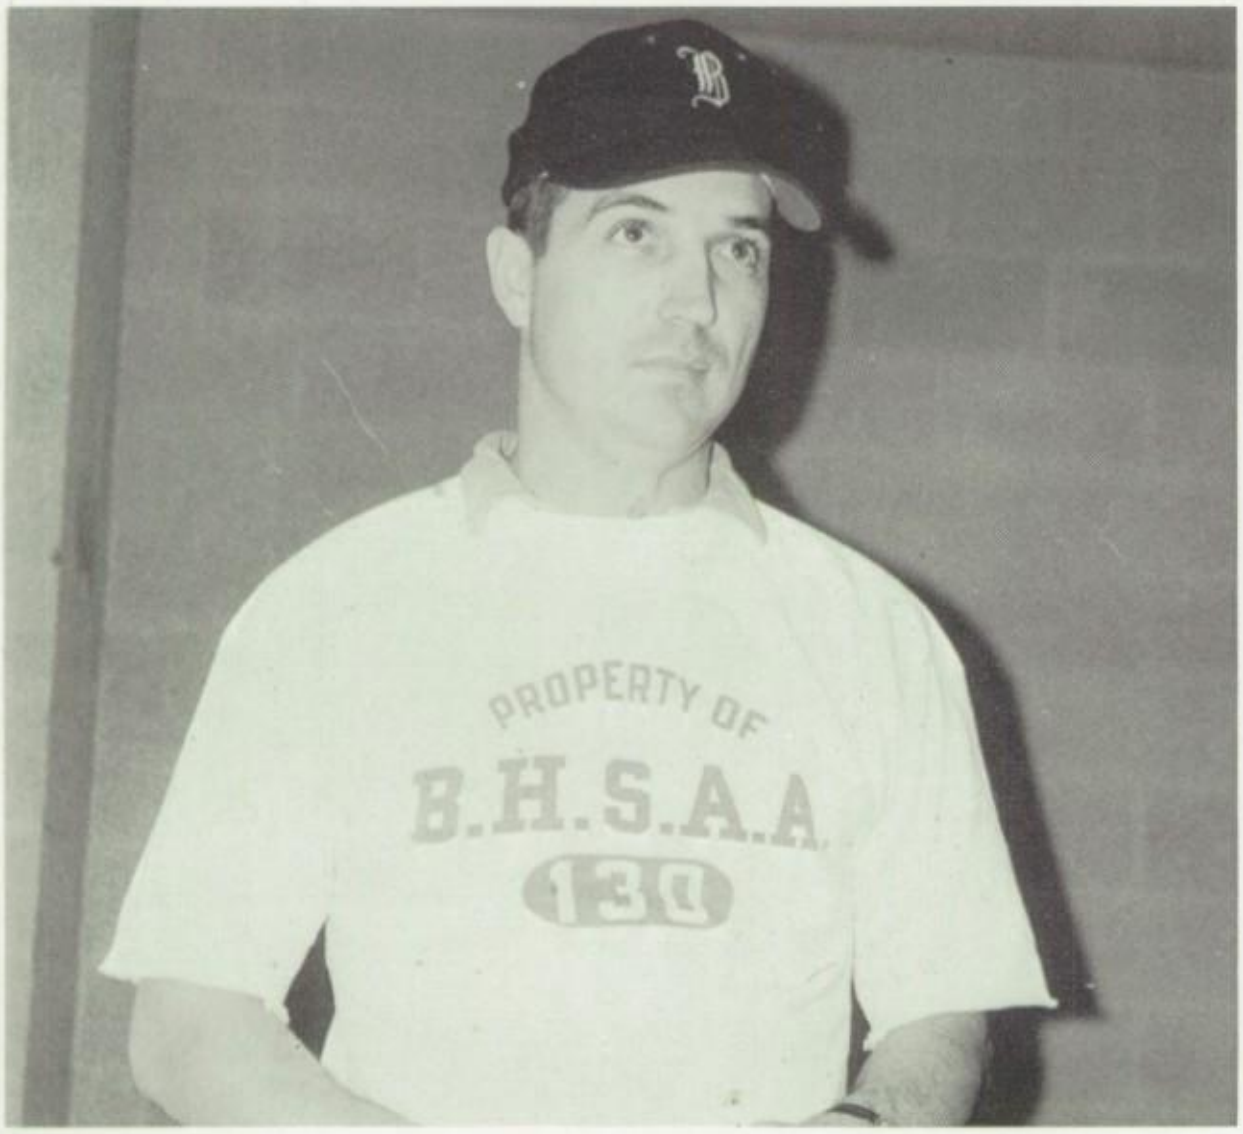
5 Mrs. Judy Carden: B.S., Appalachian State University; FHA Advisor, Sophomore Class Advisor.

6 Mr. Carlton Stout: B.A., Catawba College; Varsity Football and Track Coach, Varsity Club Advisor.

6



Science Department

Formulas, beakers, frogs, energy, and experiments have led Boyden students in their quest for scientific knowledge. Identification with our environment has helped biology, chemistry, and physics students in their detailed studies for tomorrow. The members of the Science Club enjoyed films, lectures, and experiments, some in connection with Catawba College, in their search for the secrets of life. The most notable change in Boyden's science department this year has been the modernization of the science labs. Further plans are in the making as Boyden continues its program of improvement.

Mathematics Department

Sets, vectors, equalities, inequalities, triangles, and graphs have plagued and enlightened math students at Boyden High School. As in previous years, students slaving over their math problems each night have learned that men in nearly all walks of life need a firm foundation in mathematics. Practical reasoning and logic have given Boydenites the figures for the future. A new addition to the Math Department this year was Mrs. Bettie Lyerly, teacher of all accelerated math classes.

In Memoriam

A Time To Be Remembered

Rusty Porter, taken from life by fate at the beginning of manhood, was loved by many and his absence is a deep loss which can never be filled. His sterling character was an inspiration and remains a never fading memory in the hearts of all who knew him. In his short time on earth Rusty achieved much that we are still striving to achieve. We are proud to have been called his friends.

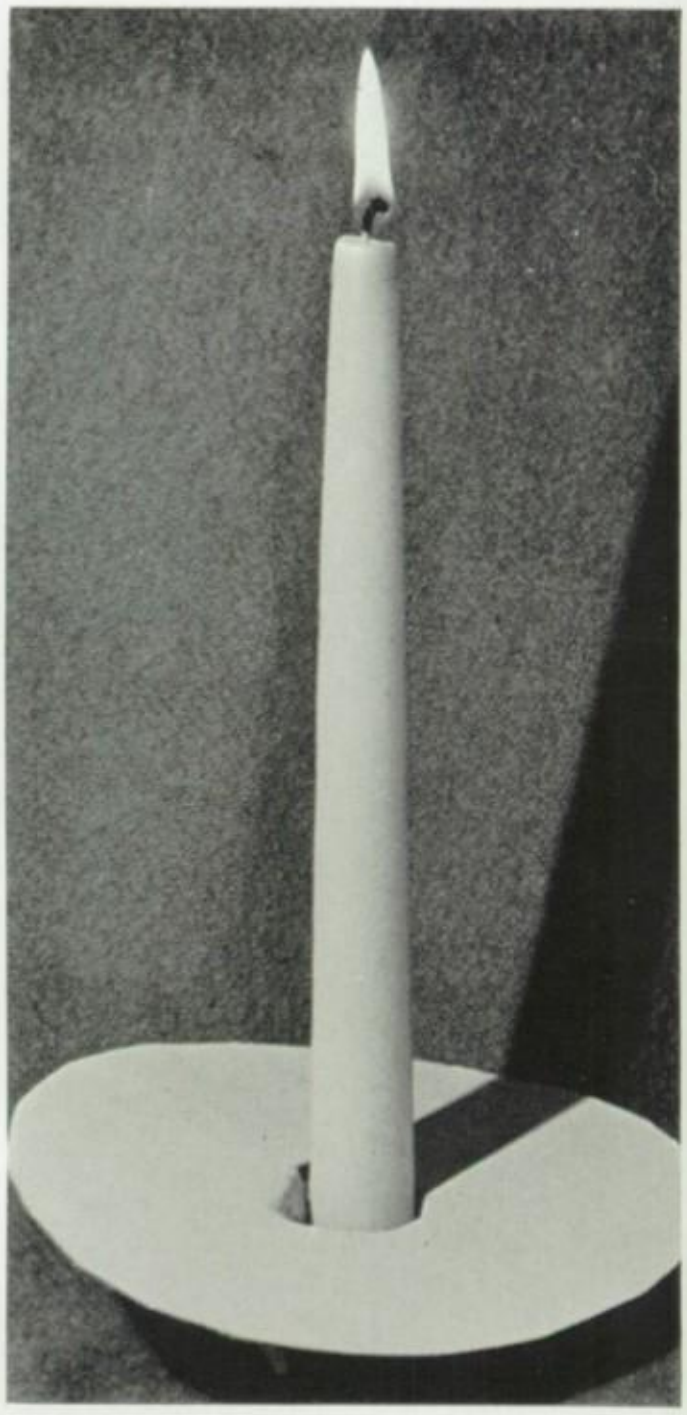
Activities Stimulate Interest



Activities were an important part of Boyden this year. Dances, bonfires, Homecoming, College Day, and council meetings were among the many and varied activities. School activities brought students together and offered a place for good times, learning, and new friendships.

"Young Americans," beanies, and "Keep America Beautiful" headed the list of projects enacted by the 1967-68 Student Association. As one of its major money-making projects the Student Association promoted the local showing of the "Young Americans"—a groovy movie about some talented teens.

Successful Year

To boost school spirit at athletic events the S.A. sold five hundred black and gold BHS beanies to Boydenites. Game days were beanie days . . . and the spirit rose. To build pride in and respect for the school and community, the S.A. joined the campaign for a cleaner America as it promoted the National Student Council Association's 1967-68 theme of "Keep America Beautiful."

S.A. Chairmen Boost Spirit

Thirteen Committee Chairmen are chosen each year by the Student Association officers to lead Boyden in various activities. Officers: Rosemary Penley, Corresponding Secretary; Brent Young, Treasurer; Jane Edwards, Recording Secretary; Dean Richards, Vice President; Kay Snider, President.

Junior Civitan, the 1967 Service Club Award winner, helped to make Boyden a better school by promoting citizenship through various school and community projects. "Project Victory," Mr. and Miss Pep, Citizenship Week, and the Sweetheart Dance, are only a few of its outstanding accomplishments. Miss Junior Civitan for the first time was elected to represent the club throughout the year.

Striving to fulfill its 1967-68 international theme—"Understanding Through Involvement"—the Boyden Key Club continued to increase its participation in the activities of Boyden and the community. WSTP's "Key Club Teen Show" excelled in providing Rowan's teens with the latest in news, sports, and "psychedelic sound spectaculars." Little league and football concessions remained among the Key Club's main money-making and service projects. The National Honor Society is composed of students ranking high in leadership, scholarship, service, and character. The club projects consist of service to the school and community. Club members collected stamps, magazines, food, clothing, and toys for worthy purposes. They offered their scholastic services as tutors to students needing individual assistance.

Press Banquet Termed Successful

The Quill and Scroll is an international honor society for high school journalists. Each year new members are selected from the **Yellow Jacket** staff and the **Echo** staff on the basis of excellence in journalism. Each member must have at least a 3.0 average. An impressive press banquet was held in the early spring at which time 18 new members were inducted.

Seniors End Active Sixth Year

In their sixth year, the forty-six members of the Senior Tri-Hi-Y have sponsored various projects, including writing Christmas cards to Rowan County boys in Viet Nam, and supplying children in the Rowan Memorial Hospital with art kits. They have sponsored the football, basketball, and wrestling player of the week for the second consecutive year. Spirit Week and the annual Beach Club were both a great success. The girls have helped in the formation of the Excelsior Tri-Hi-Y. These and many more worthwhile projects have been a part of a very constructive and successful year.

Due to an overwhelming turnout of Junior girls, the Excelsior Tri-Hi-Y halved to form the competitive Excelsior and Sigma Theta Tri-Hi-Y's.

The Excelsior girls were among the many contributing to the record Christmas Happiness. They babysat at Overton, sponsored a hayride, ate from covered dishes, and decorated at Christmas among other things.

In its first year of organization, the Sigma Theta group aided Salisbury service clubs. In cooperation with the Y, they sold mints and erected a Christmas tree. Other projects included caroling and raking leaves at BHS.

Each year when a new class enters Boyden, new clubs are also formed. The Sigma Beta Phi Tri-Hi-Y is one of these clubs. Doughnut sales, a spook house at the Halloween Carnival, participation in the "Holiday Caravan" as the boxes, and sending cards and essential articles to our soldiers in Viet Nam are some of the projects they completed during their first year at Boyden.

Playmakers Venture Into World of Drama

A newly formed club has been successful this year in providing talented students with the opportunity to learn the art of the theater. Boyden's Playmakers consist of the students who have earned ten drama points or more by participating in school plays and musicals. The members have enjoyed attending various productions throughout the community. To broaden the world of fine arts to the individual is the main purpose of the Boyden Playmakers.

American Life is Translated Through Foreign Clubs

Spanish and French clubs serve the purpose of bringing the students closer to the countries which they are studying. To familiarize themselves with distant lands, the clubs invite speakers who are aquainted with these countries and who can help the students develop a more distinct picture of different ways of life.

Several students have visited either Spain or France and have brought slides to share with their clubs. The Language clubs study the important fact that understanding through proper communication aids countries in seeking better foreign relationships.

D.E. Students Explore Business Careers

Distributive Education is a program in which students attend school for half of a day and then hold jobs of selling and distributing in the afternoon. There are approximately thirty Boyden students working in the D.E. program and serving in stores throughout Salisbury.

Industry is Major Concern of I.C.T.

Industrial Cooperative Training students attend classes until their lunch periods, and in the afternoon they work in community trades. The I.C.T. students produce what the D.E. students sell. They train and work in trades such as factory work and auto mechanics. These trades prove vital to Salisbury. Twenty-one Boyden students are involved in building a better industrial future.

F.B.L.A. and F.T.A. Prepare for Future Responsibilities

Future Business Leaders of America include speakers, projects, and tours in their meetings. They tour the business department of Rowan County Technical Institute and welcome speakers from various business colleges around the state. The club is active this year in preparing for a more profitable future.

Future Teachers of America is a small but expanding club. They render services to the teachers and observe classes in session. F.T.A. and S.A. honor the teachers with a tea at the end of the school year.

Successful College Day Thru Sponsor's Aid

College Day, teemed "most successful" by everyone concerned, gave Boyden juniors and seniors a first-hand look at their future education this year. Representatives from the majority of North Carolina schools and a few from out of state gave the students an idea of their plans and expectations at the respective colleges. Ten sponsors were chosen to aid and control the incoming crowds. As one representative was overheard saying, "This is easily one of the best programs in the state."

Fine Showing Made at Girls, Boys State

June, 1967 became for ten BHS students a month of comprehension and employment of our American government. Of worthy note were the elections of Steve Corriher as Governor and Linda Ketner as Federalist Party Chairman. These two made Boyden the only school in the state to send two students to the American Legion National program. Boyden's other delegates also played major parts in the Stage program as city officials, party candidates, state officials, and committee heads, and as a party organizer.

Honorary Clubs Serve Community

Junior Women, Junior Rotarians, and the Astra Club are civic sponsored service clubs for selected senior boys and girls. Chosen by the faculty, these seniors work with their parent club to promote better service and citizenship in the school and community. This year, Boyden's Astra Club, formerly Junior Altrusans, inducted junior members into their club for the first time.

Choruses Considered Outstanding At BHS

The success of their many concerts made all the rehearsal worthwhile to the chorus. The "ba-daps" of Ray Conniff and the intricacy of Dubois were but two of the styles studied and put to use. Again the chorus entertained various civic groups as well as performing for the student body and the PTA.

Band Proves To Be Boyden's Best

In motoring to Chapel Hill and to three away games, the BHS Band became one of the most travelled troupes in recent years.

Band Day at Carolina was an interesting challange to the Band. They combined with units from across the state to fill Kenan Stadium with music.

Statesville, East Rowan, and Lexington were but three of the nine half-time shows given this fall. The others were for the home fans. 1967's Holiday Caravan included the group in its long three-mile course.

Winter concerts finished a year of much activity.

Mr. George Wilson strikes up the band for "Dixie."

Camelot

"Say It Out With Love and Joy"

"Camelot"

"Each evening from December to December,
Before you drift to sleep upon your cot,
Think back on all the tales that you remember
Of Camelot.
Ask every person if he's heard the story,
And tell it strong and clear if he has not:
That once there was a fleeting wisp of glory
Called Camelot.
Camelot!
Now say it out with love and joy!
Camelot!

Where once it never rained till after sundown;
By eight a.m. the morning fog had flown.
Don't let it be forgot
That once there was a spot
For one brief shining moment that was known
As Camelot!"

Boyden's **Echo** staff wrote, drew, took pictures, and romped in the Romper Room this year to produce a better annual. To meet an ever tightening budget, the '68 **Echo** staff sold school pictures and helped with the magazine drive in order to raise money. The fourteen staff members began in August and often worked many hours after school to meet four deadlines set by the publishers. A new and different **Echo** plus a supplement of spring activities was the result, as well as hundreds of unused photos and many rejected ideas.

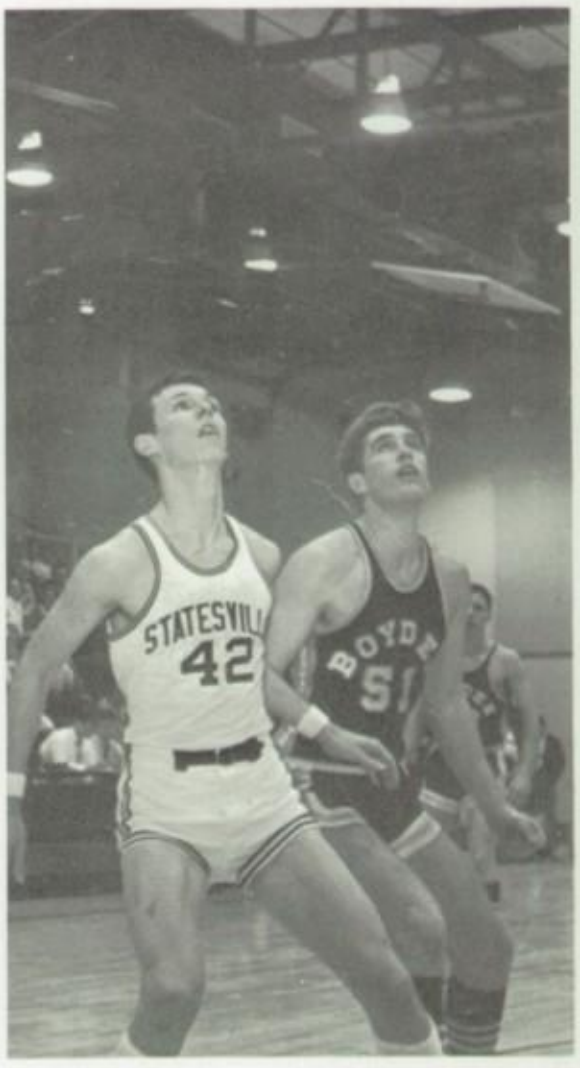
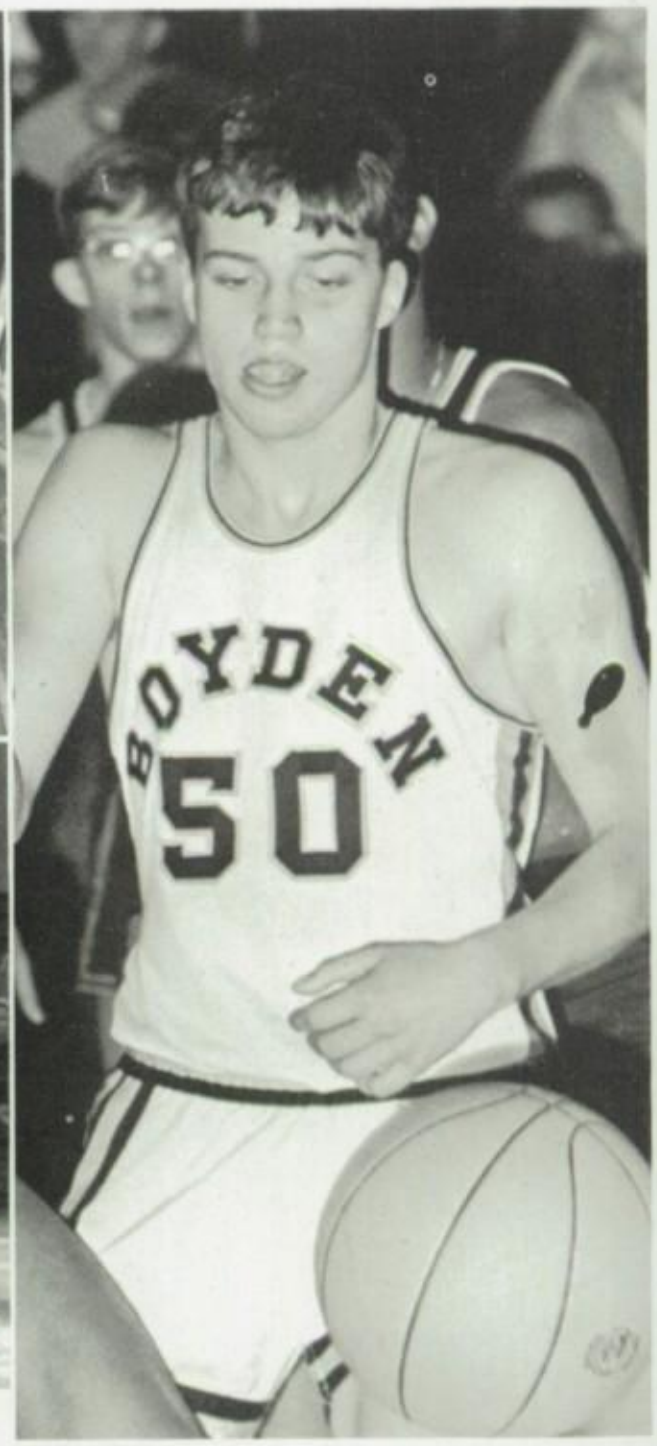
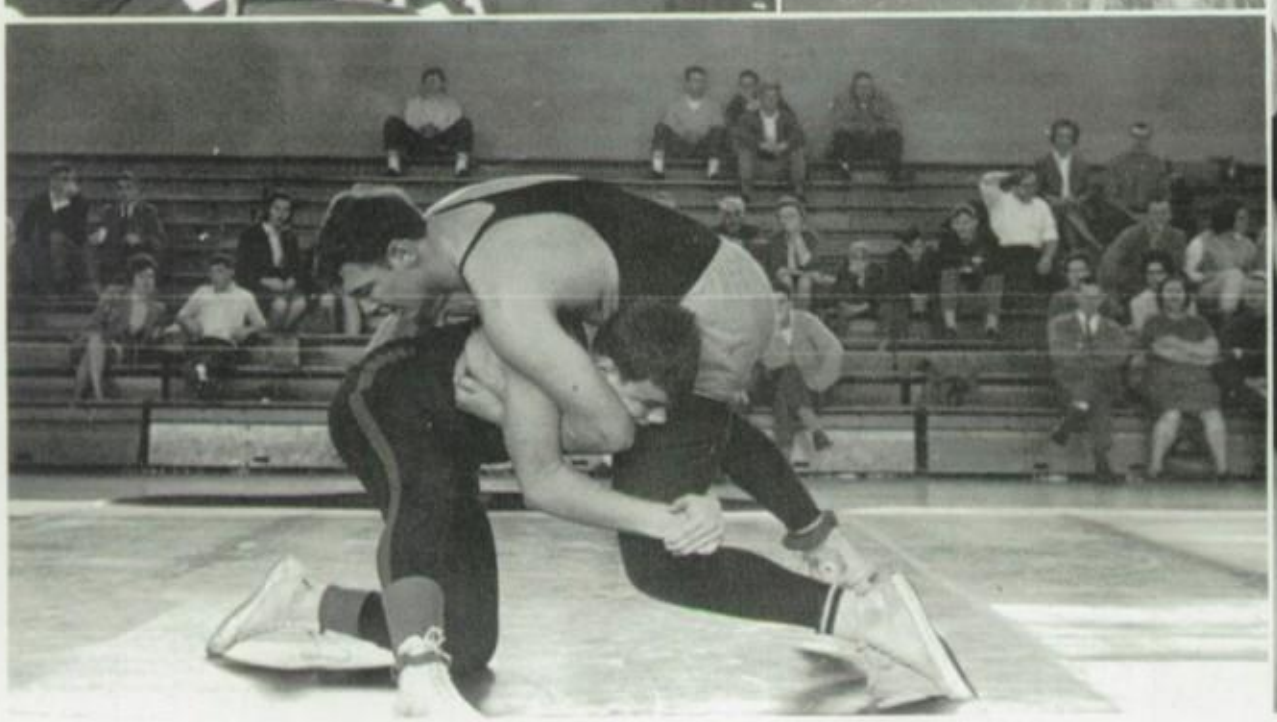
Athletics Bring







Pride to Boydenites

Boyden's Athletic Department is under the direction of Jack Turney. Sports give the student a chances to express their individual talent. Their games give the B.H.S. students an opportunity to show school spirit and pride.

Football

Competing for the first time in 3-A football's Western North Carolina High School Activities Association, the 1967 Boyden High School Yellow Jackets soon learned why their South Piedmont Conference is considered by many as the home of North Carolina's finest high school football. The 5-4-1 mark which the Jackets posted was indeed a winning season; however, subtraction of two nonconference victories and a nonconference tie leaves their conference record at an unimpressive 3-4. And yet there was nothing unimpressive about the brand of football the 1967 Yellow Jackets played!

Head Coach Pete Stout and his assistants, coaches Hellard and Little, expected big things from this year's Jackets. Five meaty, muscled linemen were returning from starting spots on the 1966 squad, including All-Conference guard and line-backer James Teal. Backfield material was only slightly less impressive.

Talented quarterback Bill Leonard had a season's experience at the helm, and fullback Gene Curlee returned with plenty of experience and 190+ pounds under his belt. The Jackets were big and experienced . . . but could they sting?

Torrential rains hampered August practice sessions and left the Yellow Jackets without the punch they needed to end Kannapolis's domination of the annual season opener. Leonard returned an early-game punt all-the-way for Boyden's lone tally as **K-town** shot down the Jackets **27-7.** But the BHS gridders quickly put an edge on their attack and swept three straight outings against county rivals **North (19-14), South (17-7),** and **East (25-7).** (This constitutes a countywide "championship" as North went on to defeat West Rowan, the remaining county team.)

Shrine Bowler James Teal (70) and Van Ritch (87), Yellow Jacket defensive aces, move in for "kill" against North Rowan.

An exceptional **Lexington** squad that went on to win the WNCH SAA title, halted Boyden's victory march in its tracks as the Jackets outstung the Jackets **34-7.**

A crushing ground attack, spearheaded by the off-tackle power of fullback Gene Curlee, resulted in the Yellow Jackets' finest effort of the season against **Asheboro.** Boyden played to its full potential for the first and last time as they snuffed the Comets **27-7.** The Jackets continued in the win column for another week as they thrilled the 1967 Homecoming crowd with a **19-0** shutout victory over **Albemarle.** At this point in the season, with only three games remaining, Boyden's record stood at 5-2. But the road ahead was bumpy.

A whirlwind second half against **Statesville** failed to offset a "defenseless" first half as the Greyhounds upset the Jackets **24-21.** Boyden, trailing by 24-0 late in the third period, exploded for three TD's to cut the margin to three

points with six minutes to go. But penalties halted a last minute drive fifty-six yards short of victory. Undefeated in their Southwestern Conference, Lincolnton challenged Boyden next. After a twenty point first half highlighted by Bobby Jackson's twenty yard touchdown on a pass interception, the Jackets handed the reins to **Lincolnton** and watched the Wolves even things up **20-20.** The gun sounded on 1967's final game leaving Boyden on the short end of a **6-0** decision against **Thomasville** as a last minute desperation drive found the Jackets one foot short of victory when time ran out.

At Boyden three or four years ago a winning football season of any description would have been a dream-come-true. This was not the case in 1967. Boydenites felt that their Jackets could have won them all. Perhaps everyone feels this way about his team. Perhaps next year . . .

A squad of experienced seniors led by co-captains Bill Leonard and James Teal sparked the 1967 Yellow Jackets to their 5-4-1 season. Co-captain Teal was a starting line-backer on North Carolina's 1967 Shrine Bowl team. He received All-State honors as a guard and, in addition, was chosen co-captain of Rowan's All-County team. Other Jackets receiving All-County honors were quarterback Bill Leonard, fullback Gene Curlee, and guard Joe Hall.

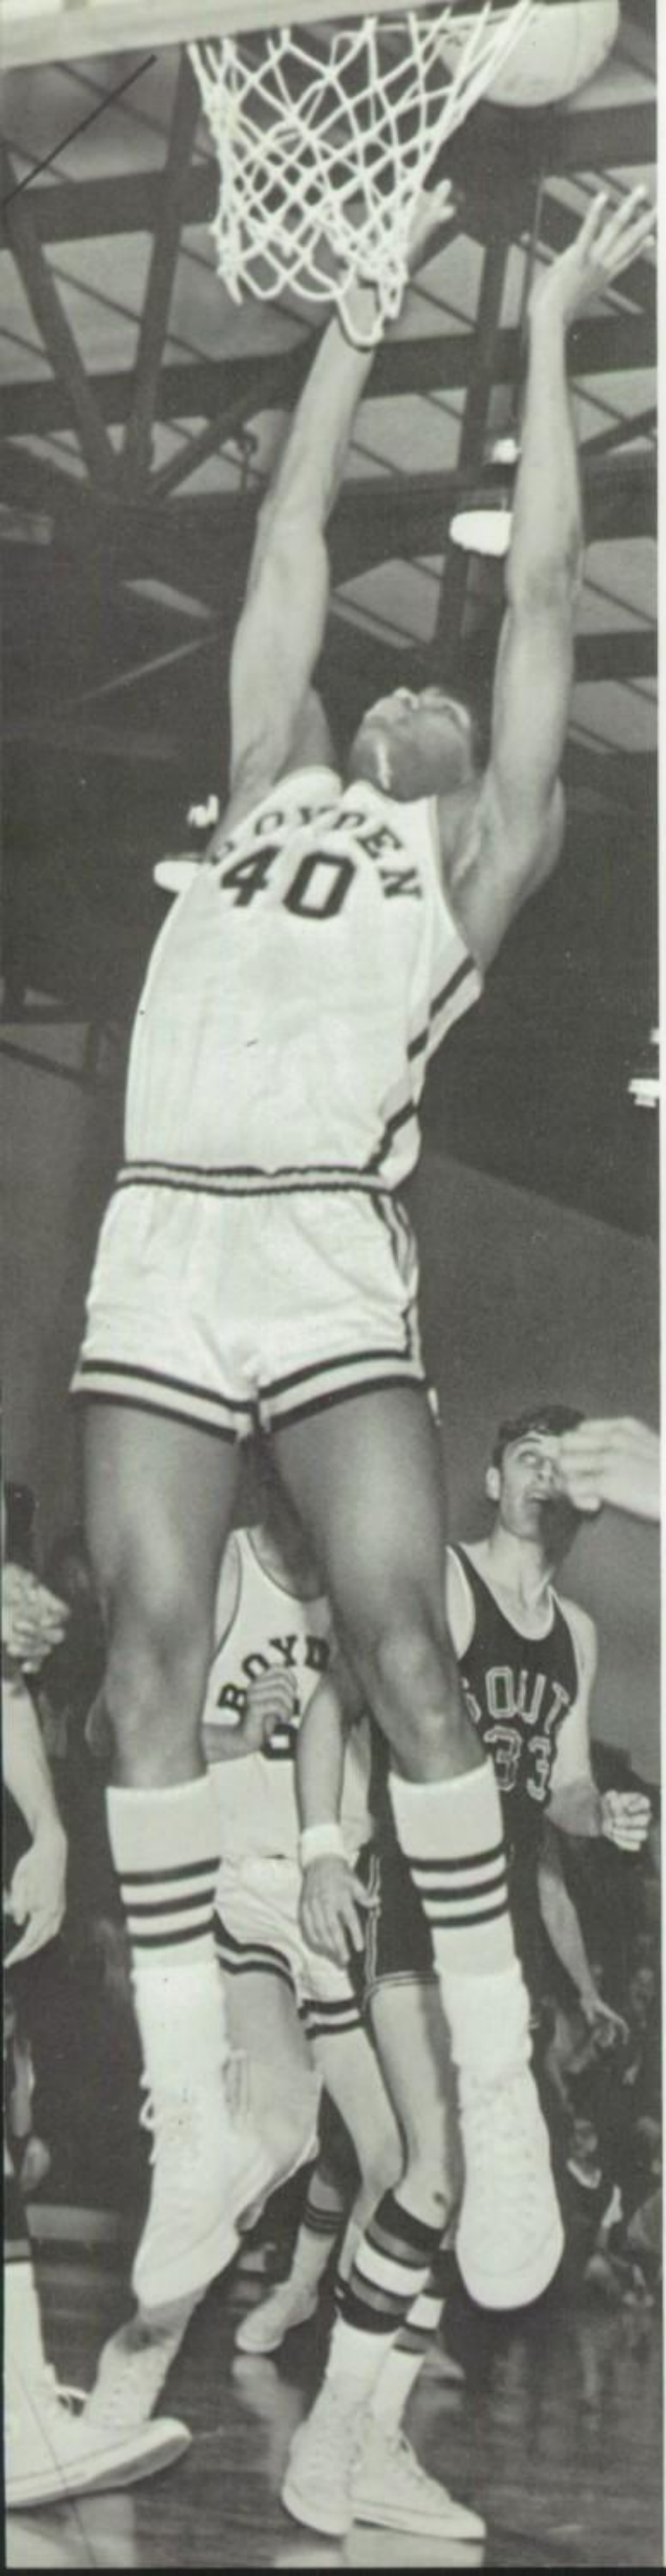
Led by coaches Patton and Pharr, Boyden's Junior Jackets experienced a season that started with a dud and ended with a bang. After suffering a first game loss to Kannapolis, the J.V.'s bounced back with a spirited victory over Charlotte Independence. After losses to South Rowan and Lexington, Boyden's undaunted Junior squad fought back to hand Asheboro a 14-13 setback. Then followed a three game losing streak to Albemarle, Mt. Airy, and Charlotte Catholic. Desire, spirit, and ability came through in the grand finale. These factors coupled with the season's experience demonstrated the team's true caliber as our Junior Jackets ended their 1967 season with a smashing 32-12 win over twice-beaten Thomasville. Followers of Boyden football can expect much from this high-spirited and able gridiron crew.



Basketball

Coach Bob Pharr makes a point during a Yellow Jacket time out.

Early in November all signs pointed to one factor as the major determinant in making or breaking the 1967-68 season for Coach Bob Pharr's Yellow Jackets. Oddly enough, that factor was knees.

The team that Coach Pharr ran through pre-season drills in November had good potential. The boys had played together extremely well as JVs. Senior center, Ted Weant, was at least All-Conference material, and the rest had played plenty of good basketball. But more than a couple had dangerously injury-prone knees, and the big question seemed to be, "Will they last?"

They didn't.

Before the 1967-68 Yellow Jackets had played a single conference game, three potential starters were sidelined with twisted knees—all of which required surgery thus keeping the three out of action for virtually the entire season.

Despite this handicap Coach Pharr piloted his 1967-68 roundballers to a 9-9 regular season in the super-tough South Piedmont Conference.

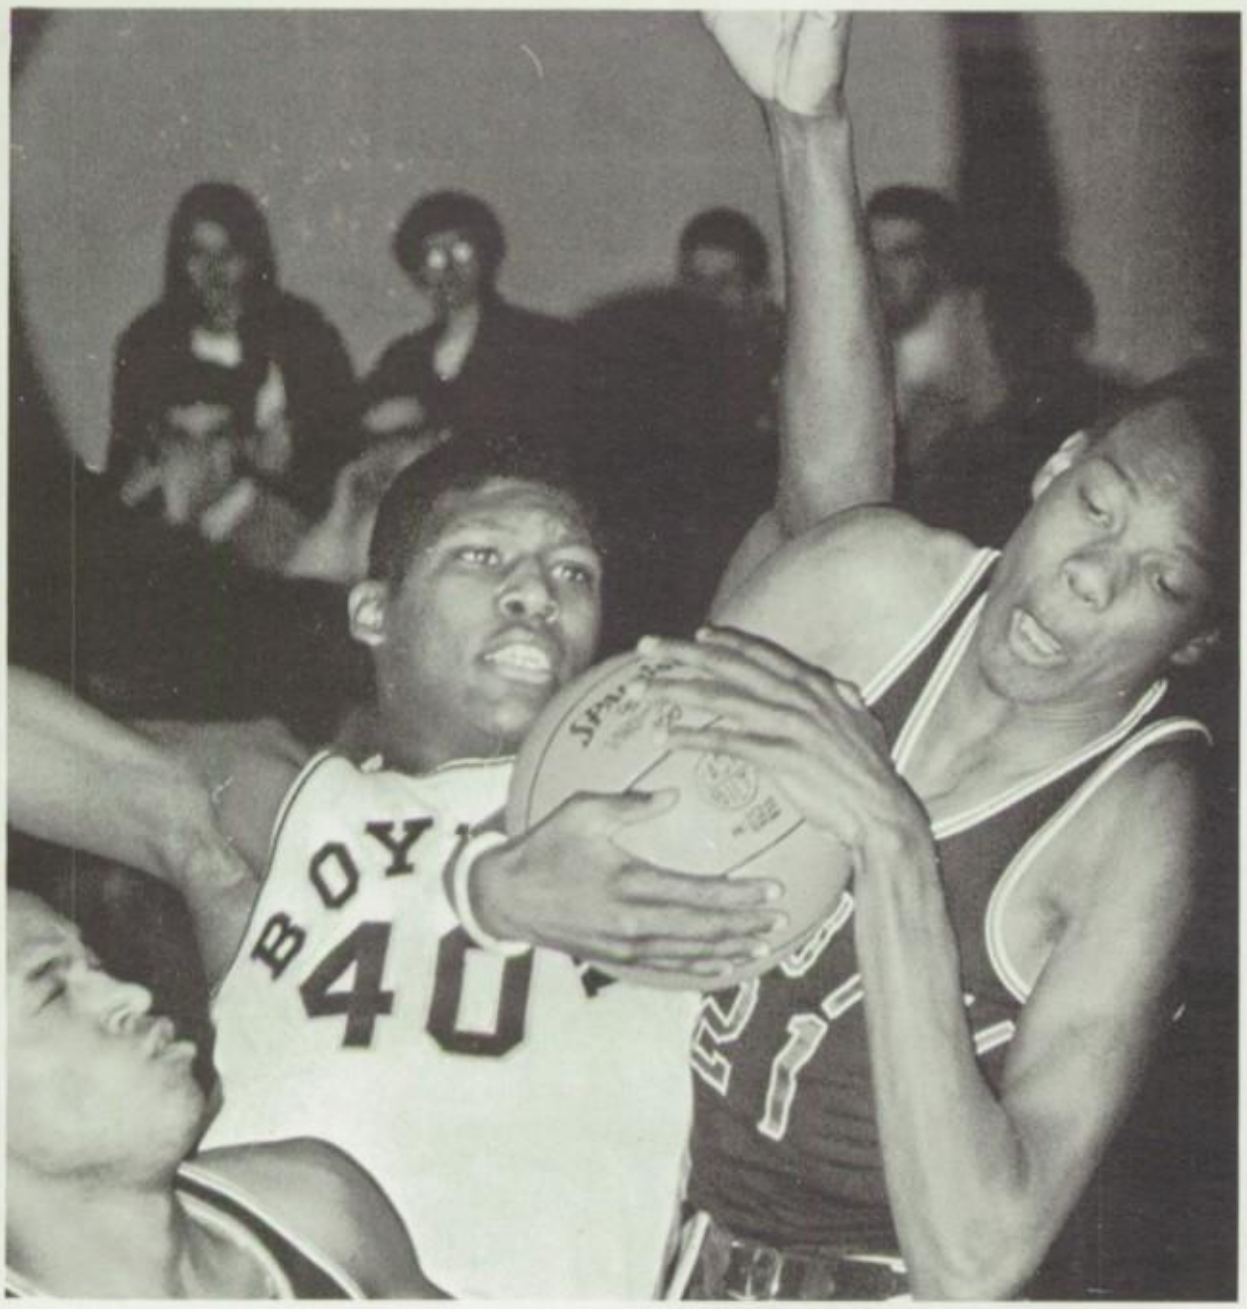
1967-68 Jacket Cagers Break Even 10-10

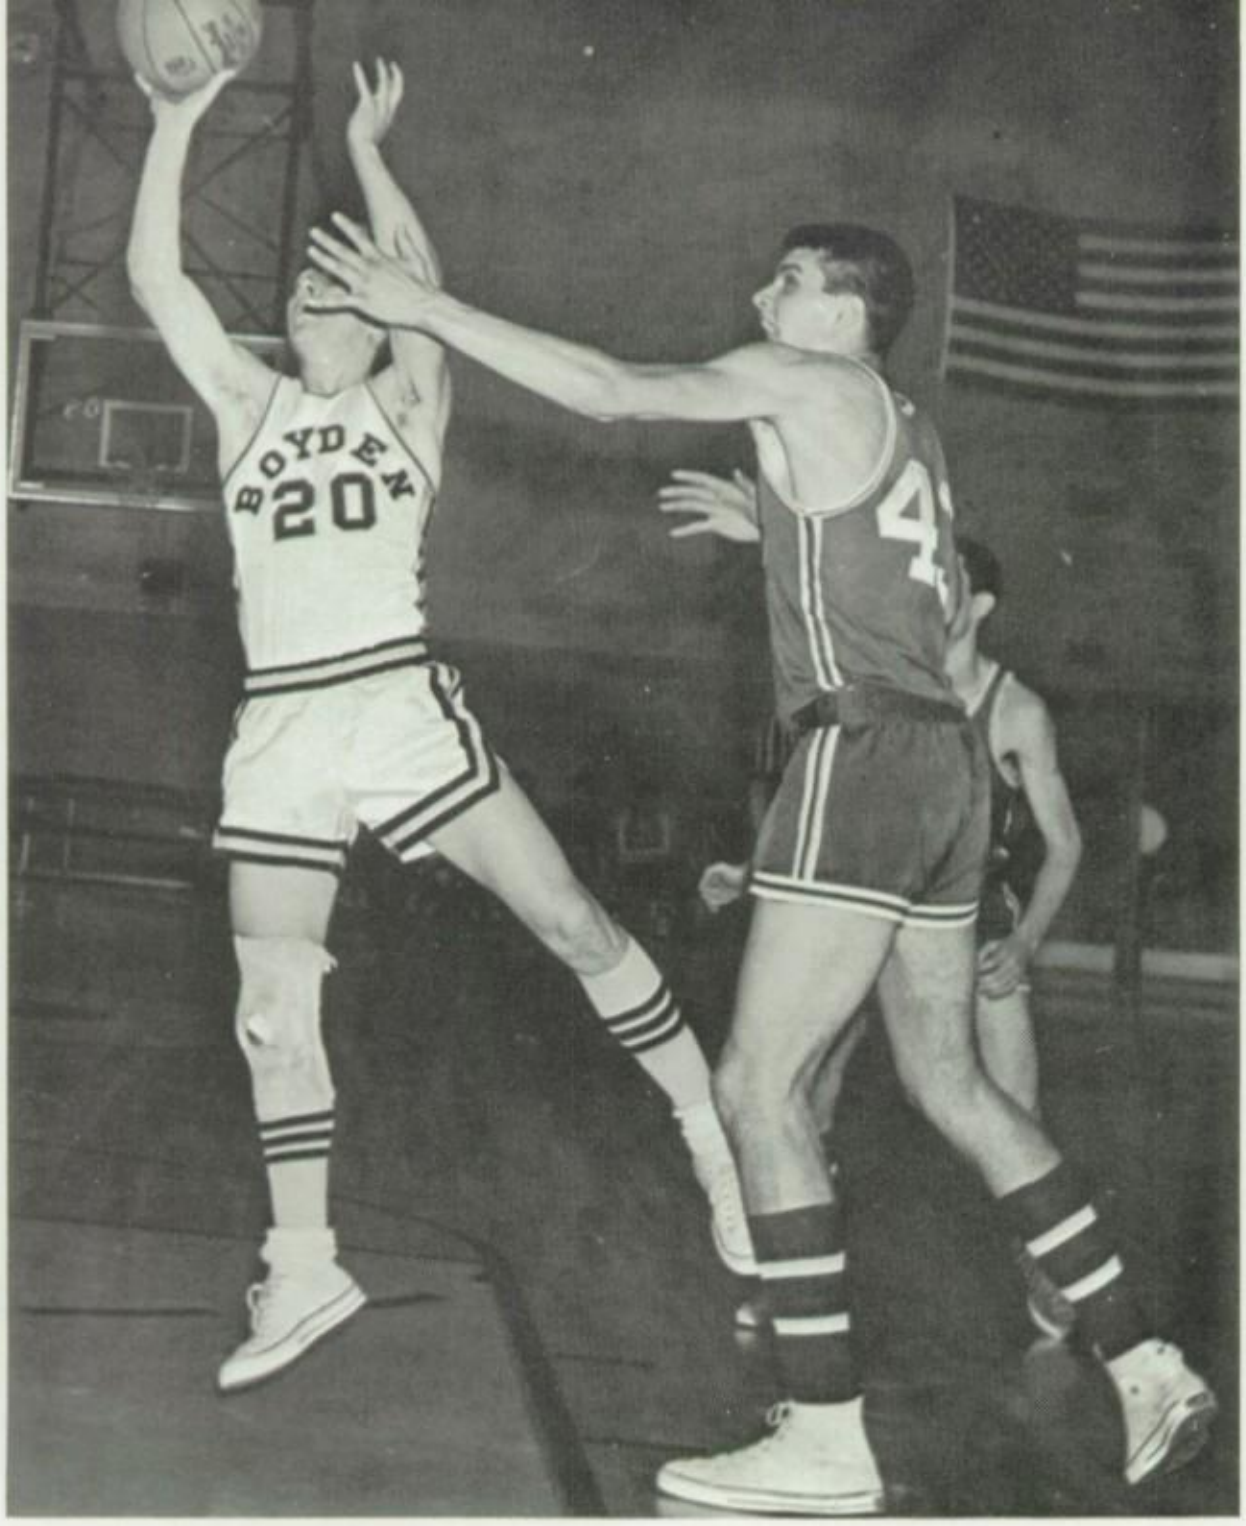


Right at home in the midst of the action, senior forward James Teal makes life difficult for two South Rowan cagers.

South Piedmont fans will long remember the 1967-68 Yellow Jackets for their exciting nip-and-tuck brand of basketball. The Jackets were anything but predictable. Boyden's longest period in the win column—five straight BHS victories—included two major upsets. In post season play another major upset advanced the Yellow Jackets into the semi-finals of the South Piedmont Conference Basketball Tournament. A 1-1 tournament mark rounded out Boyden's 1967-68 season at 10-10.

After splitting a pair of pre-season games with **North Rowan,** Boyden beat **Asheboro, 64-42.** A week later with Weant scoring his season high of 23, the Jackets were downed by conference champion **Kannapolis, 71-66.**
(Kannapolis was the only team that Boyden did not beat at least once during the 1967-68 season.)

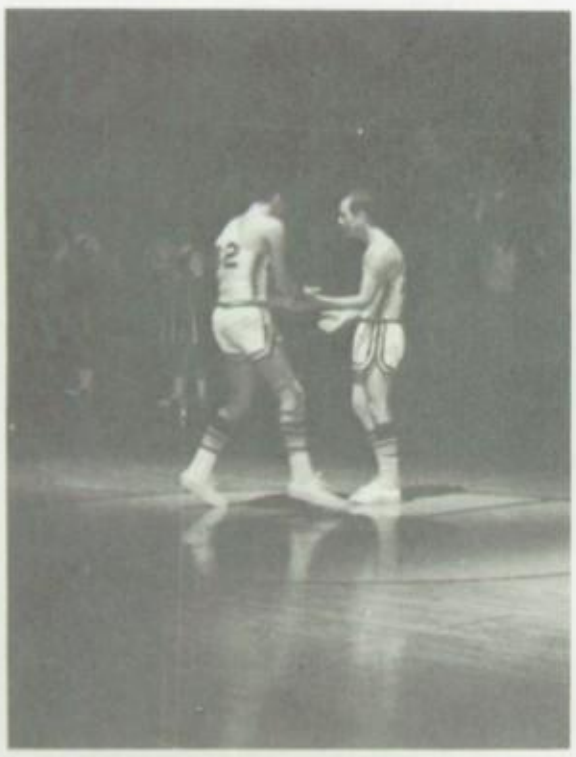
First Row: Derrick Anderson, Mike Sawyer, Mike Harrigan, Gilbert Russell, Paul Tinsley, Delma Coggin, and Tommy Harwood. Second Row: Roger Meade, Jim Heilig, Bill Leonard, Ted Weant, and James Teal.



Senior guard Mike Harrigan works into the lane and up for two against South Rowan.

Boyden Clips

Reeling from the effects of those pre-season knee injuries, the Jackets dropped their next four tilts to **Albemarle, Concord, Lexington,** and **Statesville.** After eight games Boyden was 2-6. The Jackets were down but not out, for they bounced back with seven wins out of their last ten regular season games! Five different players led the scoring in their next five wins. Leonard started things going as he led Boyden over **South, 70-67,** with 20 points. Next, Russell canned 21 as the Yellow Jackets swarmed over **Thomasville, 58-40. Kannapolis** delayed the Jackets' victory march as the Little Wonders topped BHS a second time, **69-47.** Harrigan had 12 to lead the Jackets in a **53-47** double overtime upset over **Albemarle,** and BHS was on the move again. It was Teal with 17 as Boyden beat the clock and **Lexington, 48-47.**



". . . and starting at forward . . ."

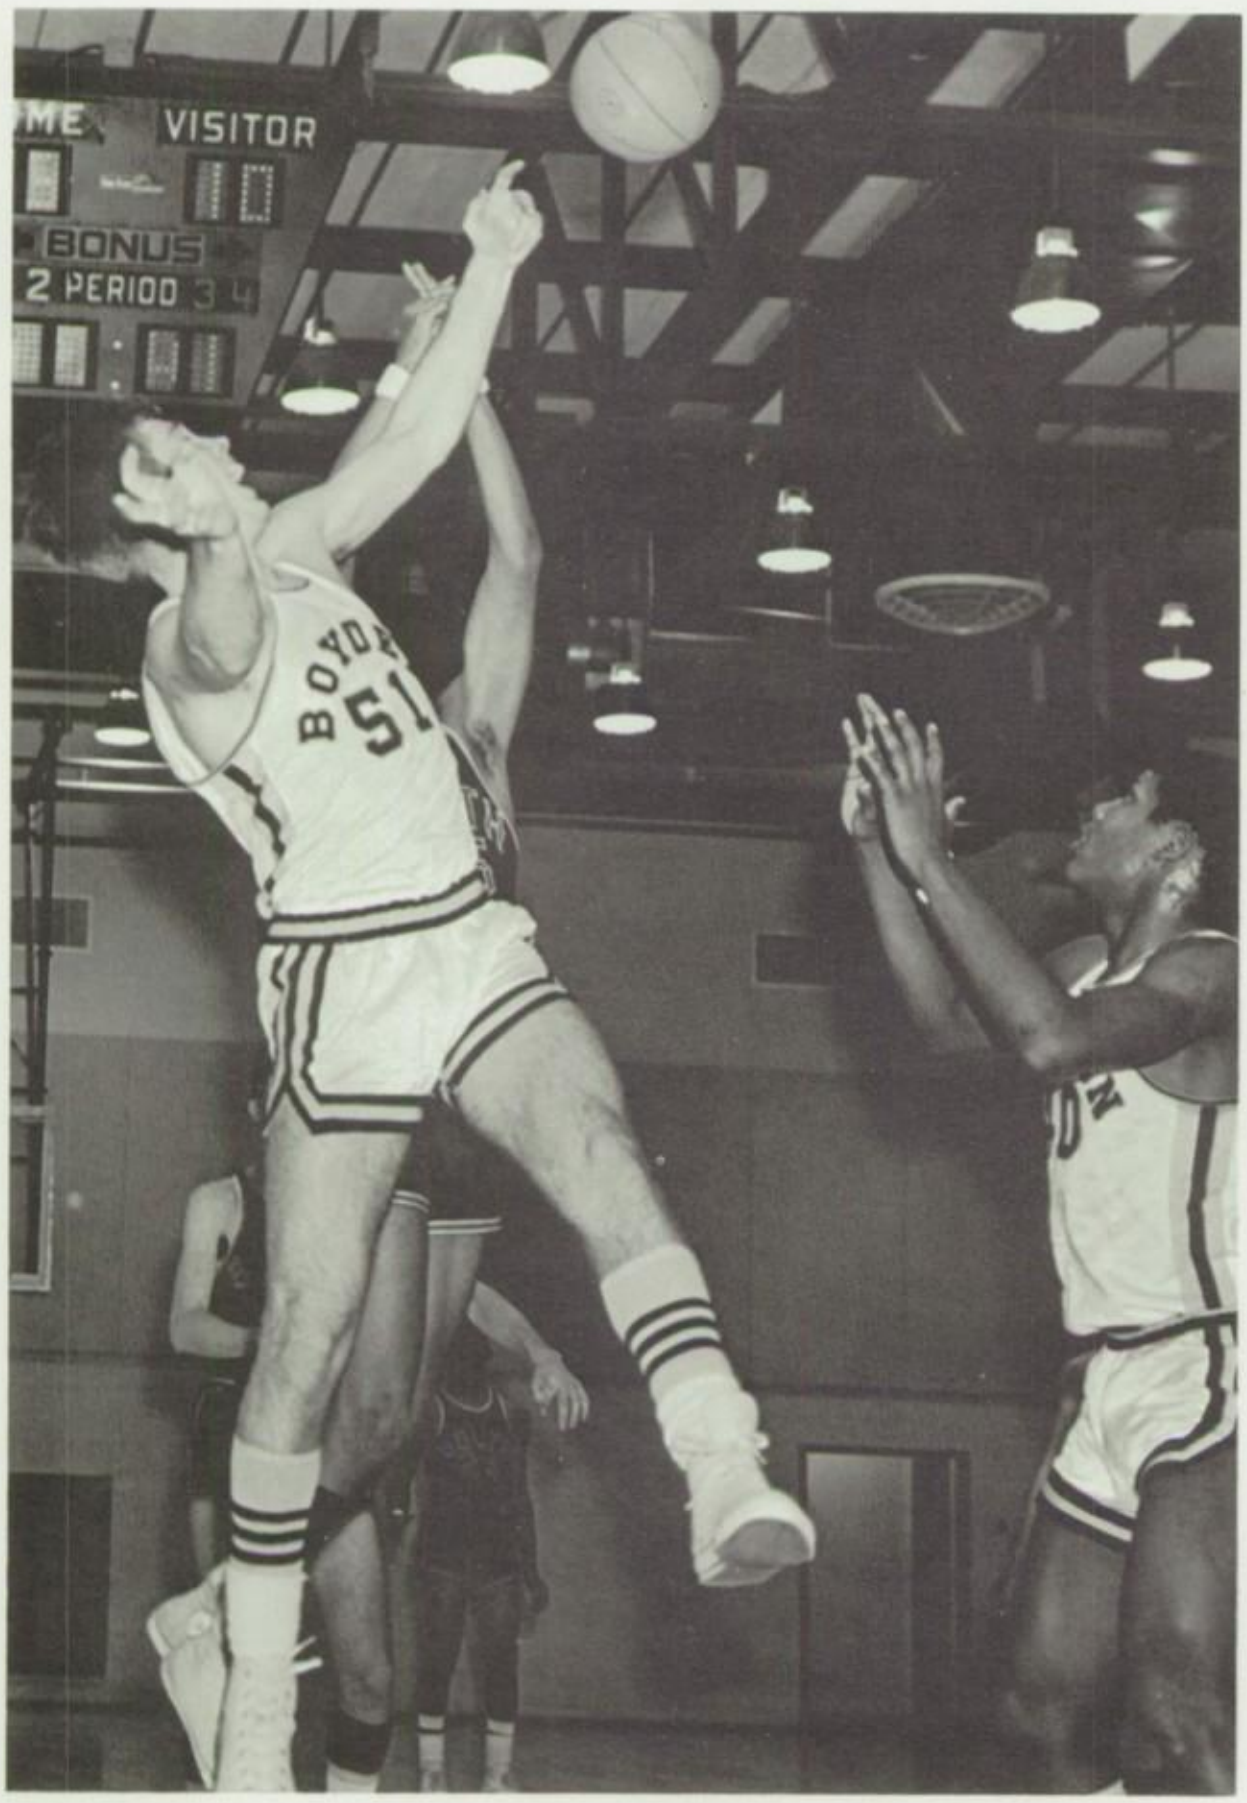
Third-Seeded Statesville In Tourney

The fifth different scoring leader in as many wins was Ted Weant. Weant carded 16 as the Yellow Jackets stung **Thomasville, 50-31.** Again **Asheboro** posed no great problem for Boyden; that score, **48-33.** And then, after upsetting **Concord, 50-47,** the Yellow Jackets cooled off and dropped decisions to **Statesville, 48-33,** and **South Rowan, 76-67.**

James Teal copped season honors in the high-game department as he bagged 24 in leading the Jackets over third seeded Statesville in post season tournament action, **63-53.** In Boyden's last game of the 1967-68 season **South Rowan** halted the Jackets, **58-46,** in the semi-final round of the South Piedmont Basketball Tournament.

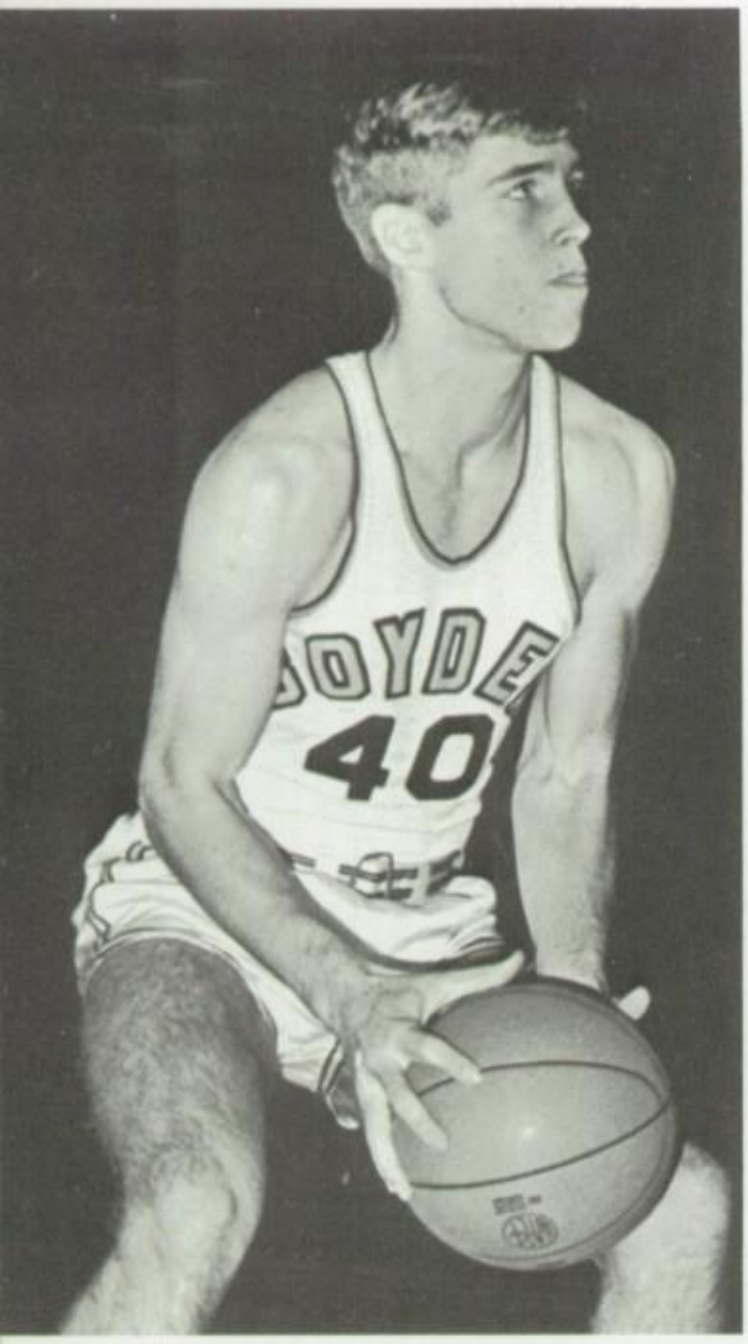


Senior center Ted Weant takes to the air for a rebound against South. Teal waits for his chance.

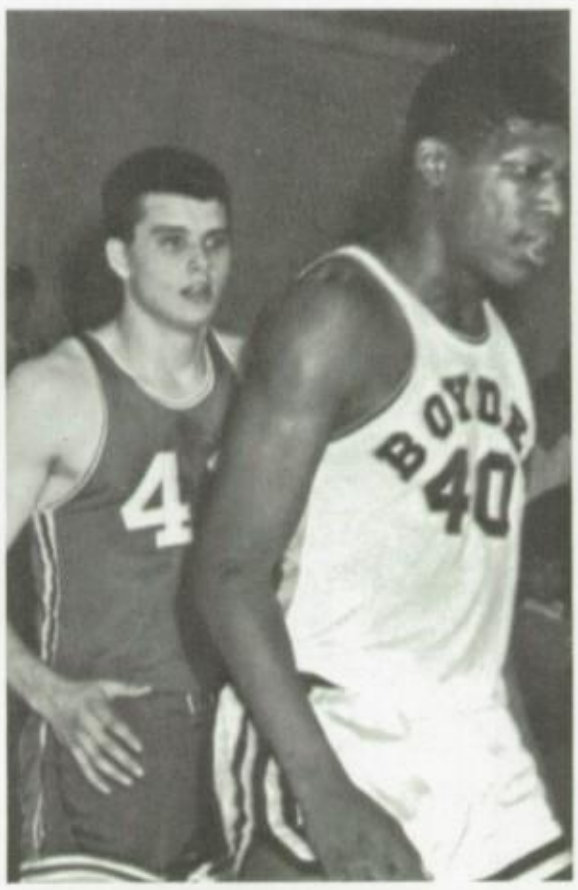
Forward Bill Leonard demonstrates perfect form in canning two from the top of the key.

Seven Seniors Lead 1967-68 Yellow Jackets

The 1967-68 Boyden High School Basketball Squad was led by the seven senior players pictured on this page. Senior center, Ted Weant, received South Piedmont All-Conference honors. The 1967-68 Yellow Jackets posted a 10-10 season mark and were eliminated from the South Piedmont Tournament in the semi-final round.



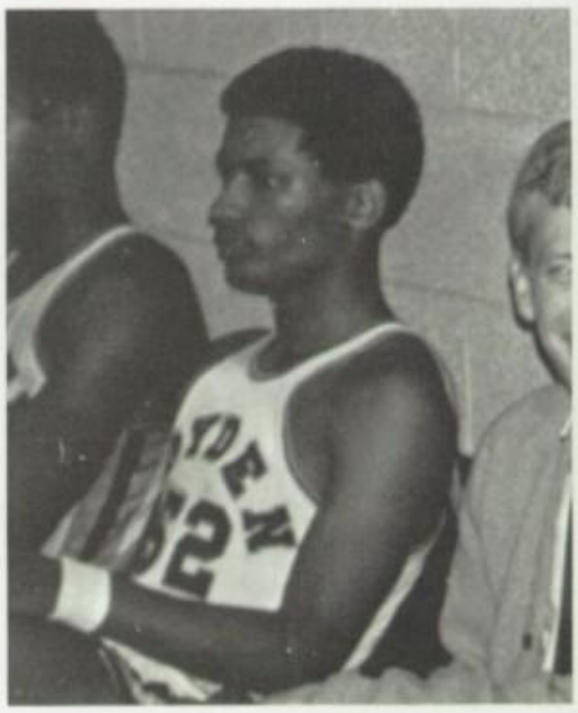
Ted Weant received All-Conference recognition for his play at center.



Teal was power under the boards.

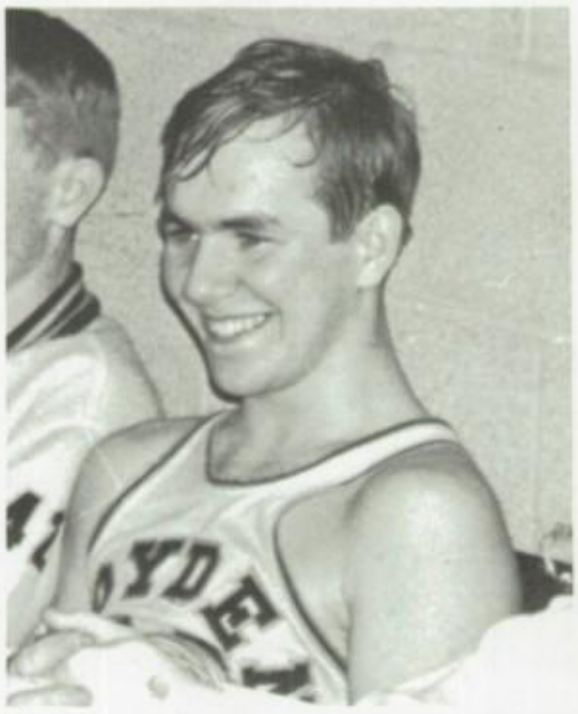
Russell was deadly from way out.

Tinsley added to Jacket reserve power.

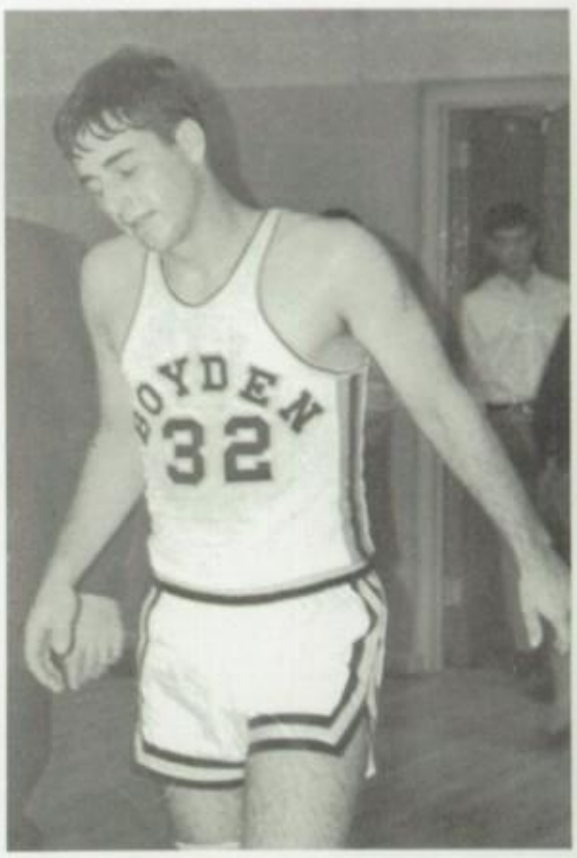


Giles Goodman saw limited action due to an early season knee injury.

Leonard saw action as a guard and forward.



Jacket ball-handler and play-maker was guard Mike Harrigan.



J.V.'s Post 10-10 Season

"Determination, pride, and desire" plus challenge matches and the competition of starting positions by each player proved Coach Hellard's J.V.'s to be a formidable foe to all opponents. Games lost by a margin of only a few points illustrated these qualities to their finest extent. Exploding the season with four straight victories, the Junior Jackets were showing signs of developing into a fine team. Finally, after winning only one out of the next four games, the J.V.'s got back on the winning track by defeating three of their next four opponents. Going into the second-half of the season, the J.V.'s hit a cold shooting spell loosing five straight games, three of them by just a few points. Finally pulling out of their slump, the Junior Jackets won two of their last three games thus enabling them to finish with a break-even season.

Wrestling

Boyden's 1967-68 matmen recorded a fifth straight winning season under the direction and guidance Coaches Jack Turney and Charles Little. Although the grappler's almost unbelievable string of 66 consecutive victories was snapped by a strong North Rowan team, the BHS wrestlers finished with a 10-5 season and captured third place in the WN CHSAA tournament.

Karey Clark went all the way winning the 183 pound class while Frank Miller followed with a second in the 168 pound class. Jack Hinson in the 106 pound class and Rick Ridenhour in the unlimited won the consolation championships for third place.

Leading the wrestlers to their winning campaign were Barry Hatley (98), Jack Hinson (106), Gordon Faison (141), Frank Miller (168), Karey Clarke (183), and Rick Ridenhour (unlimited) whose combined won-lost record was 71 wins and 13 losses. The Varsity Club brings together letter-winning athletes from every sport, managers and trainers. Varsity Clubbers serve Boyden off the field by running the basketball concession stand. The goal of the 1967-68 Varsity Club was to mold its organization into an active and contributing portion of extracurricular life.

Homecoming, perhaps the most anticipiated event of the school year, is one in which the cheerleaders take full charge of the dance preparations as well as the parade and the float competition. Cheerleaders are a vital part of the student body in that they represent the athletic teams as well as the school.

J.V.'s Help to Keep Up School Spirit

Under the leadership of Jane Goodman and Bea Alexander, the Junior Varsity cheerleaders had a successful year. The seven girls supported the J.V. teams in both football and basketball and added pep at games, promoting school spirit at Boyden. The J.V. cheerleaders aided the varsity squad by cheering at homecoming and were part of the homecoming parade. The girls made monogrammed pillows and served cake to the J.V. players.

Majorettes Step High During '67

Hours of hard work spent in practice paid off for Boyden's seven majorettes. They led the band during halftime shows at football games and stepped in front of the band at parades. Boyden's Class of '68 has been a class full of activity and projects, beginning four years ago. Since then, Boyden's seniors have come a long way, showing their enthusiasm and willingness to help and get ahead by various class projects. This year, in the midst of college applications, acceptances, and plans for graduation, they have raised money to furnish the new Student Center, and utilized over two hundred dollars in their Viet Nam Fund. After graduation, Boyden's seniors will leave and go their own separate ways, but they will always remember their years at BHS.

Norway Sends Exchange Student

Wencke takes a break from studies.

Although school in Salisbury, N.C. is a little different from that in Trondheim, Norway, Wencke Nerbø has found life at Boyden and with the R. D. Reamers to be a lot of fun and an experience she would not have missed for the world. Wencke's American sister, Betsy Reamer, has introduced her to such everyday things as hamburgers and ice cream. Wencke has enjoyed skiing, swimming, and participating in the musical. She has found time to take an active part in Junior Civitan, Tri-Hi-Y, the Spanish and Science Clubs, and the Student Council. She was elected treasurer of her homeroom and Christmas Spirit of the Senior Class. After this year, Wencke will return for her senior year in Norway, but when she leaves she will take with her many memories of Boyden and the USA.

Wencke's American family, Mr. and Mrs. R.D. Reamer and Betsy.

Service, Intellect, and Dependability . . .

A very special honor this year goes to the twenty-two seniors selected for this **Echo** feature. These seniors were chosen for their outstanding leadership, scholarship, dependability, citizenship, and various contribution to the school and community. Eleven were nominated by the faculty and eleven by a committee composed of seniors. These seniors were chosen secretly and are being revealed for the first time in the pages of this yearbook.

A time to break-down . . .

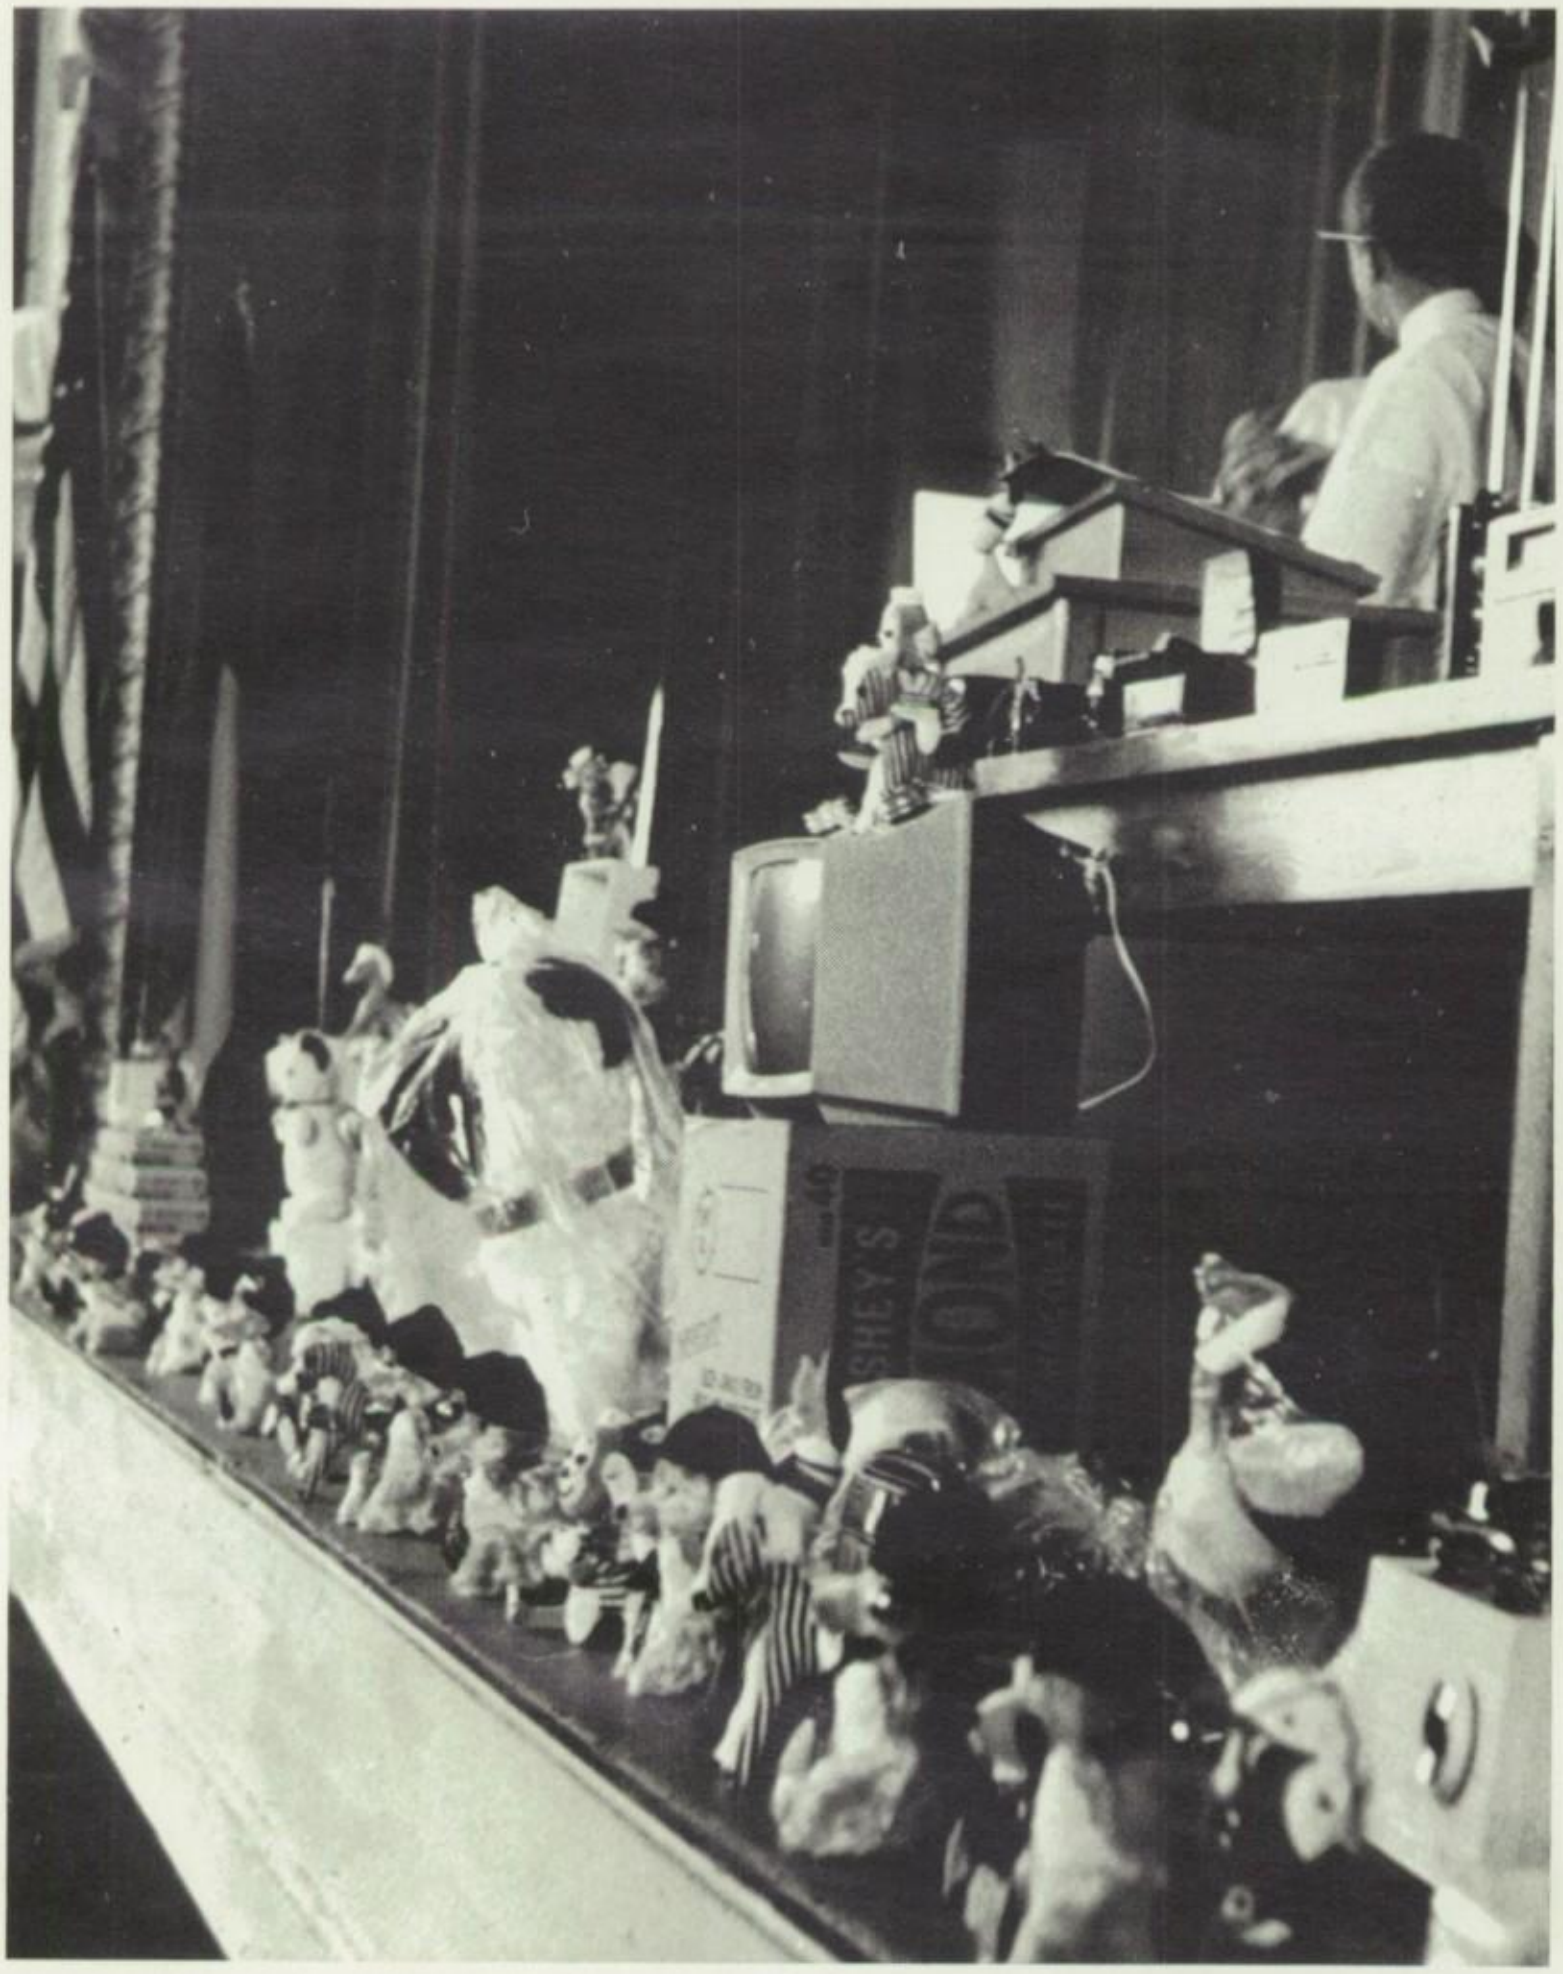
Excavation of two rooms into a
Student Center.
Fission of molecules.
Physical and mental exhaustion.
After making a passing grade
in a failing subject.

A time to build-up . . .

Renovation and completion of the Student Center.
Weight lifting after school.
Friday afternoon, before a long weekend.
Before a tough exam.

A time to cast away . . .

Left-over token from a trip to the drug store.
Outgrown clothing given to the needy.
Last semester's notes after exams.
Winter clothing at the first sign of spring.



A time to gather . . .

At a kick-off campaign for the
magazine drive.
Sharing good news with friends.
Open house after a game.
Student Center during lunch.

A time of peace . . .

The sun's broken rays on an
empty hall.
While singing the Alma Mater
at the end of a football game.
During the afternoon
announcements.
In reverance to the past.

To a
good guy and
a fellow
employee (?). I know
you'll go far. Now can
you lose? Have fun in the
army, and don't drag, race, and
raise too much. A friend,
Brenda Sutton
